1983 SOUTHEASTERN TECHNICAL INSTITUTE

250 FOUNDRY ST. SO. EASTON, MA.

To The Student Body

My congratulations to each and every one of you graduating from Southeastern Technical Institute. New friends have been realized during this experience, and it is my hope that these new friends will become old friends and close friends. I wish all of you success and a bright and rewarding future.

I also extend my thanks and appreciation for producing a yearbook such as this, so that in the future you can reflect on the time spent at Southeastern.

Again, my congratulations to you graduates, and also a welcome back to those students returning for the 1983-84 school year.

Sincerely,
Robert W. Magner

To the students of the Technical Institute:

I would like to take this opportunity to thank everyone that has worked s hard to help prepare this book. It is not an easy assignment, and I fully realiz that all of you are limited on time. A special thank-you to Paula McNeil an Nancy McGonigle for the extra effort that they have put into the yearbook Paula is also responsible for the writing of the school paper. Terri Carroll an Lisa Casarano have also donated many hours helping the Student Coupcil. W only hope that the student body enjoys the yearbook and all the activities tha the group has put on this year. Good luck! Audrey B. Beaudoin, Advisor
